HOW TO PAY YOUR MEAL WITH ONE CLICK

The electronic wallet is a feature of the OPERA4U app, a kind of rechargeable virtual current account, which is used to pay for meals in university canteens.

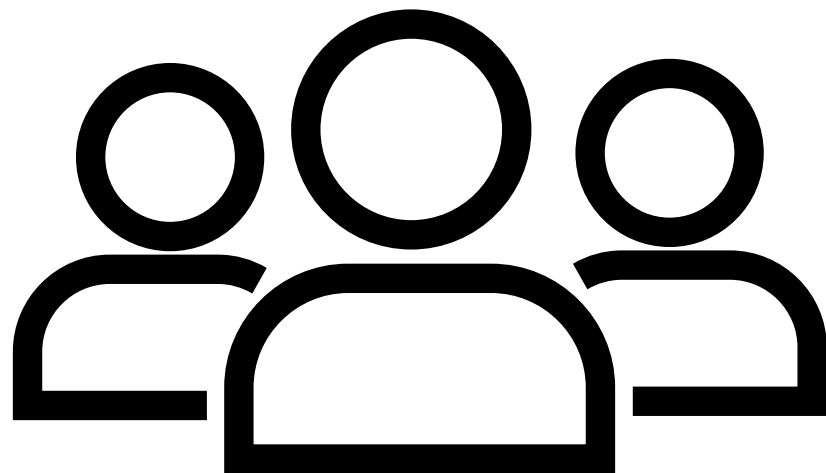

The transactions, the residual credit, and the meals consumed by the user are all recorded in the electronic wallet

HOW TO RECHARGE IT

The electronic wallet can be recharged with a **credit card** or **prepaid card**.

Charging is done via the OPERA4U App with **online payment**
(commission fees apply)

OR at the **cashier** (no fees, minimum amount 20 euros).

Please remember that, if the credit balance is zero, it will not be possible to pay for the meal.

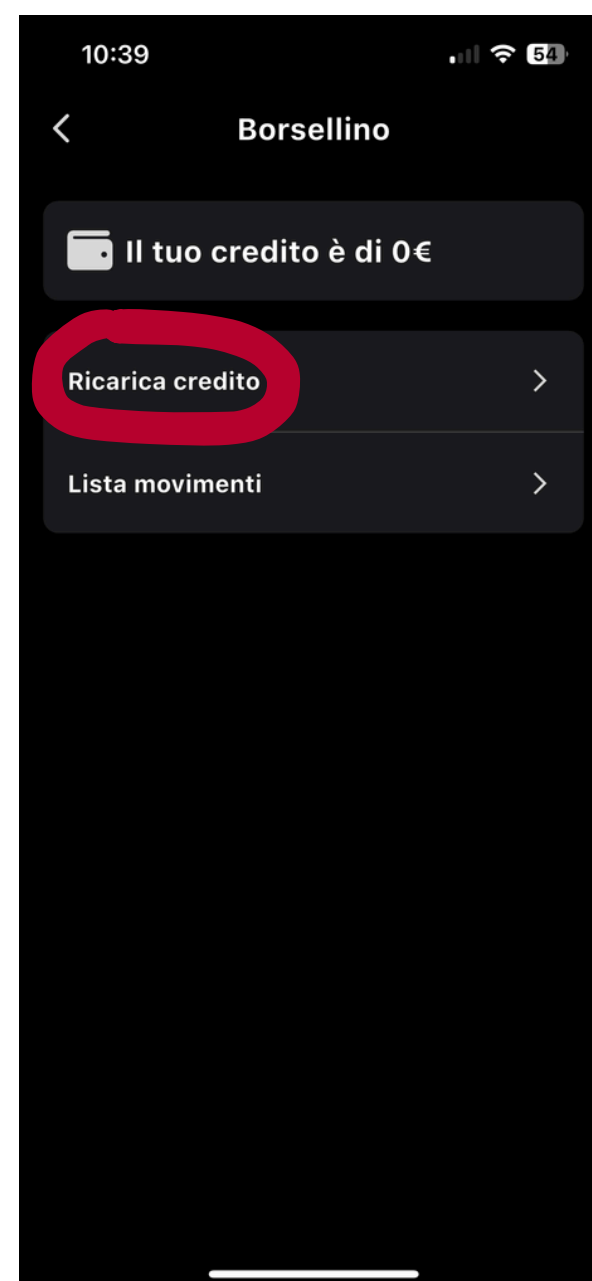

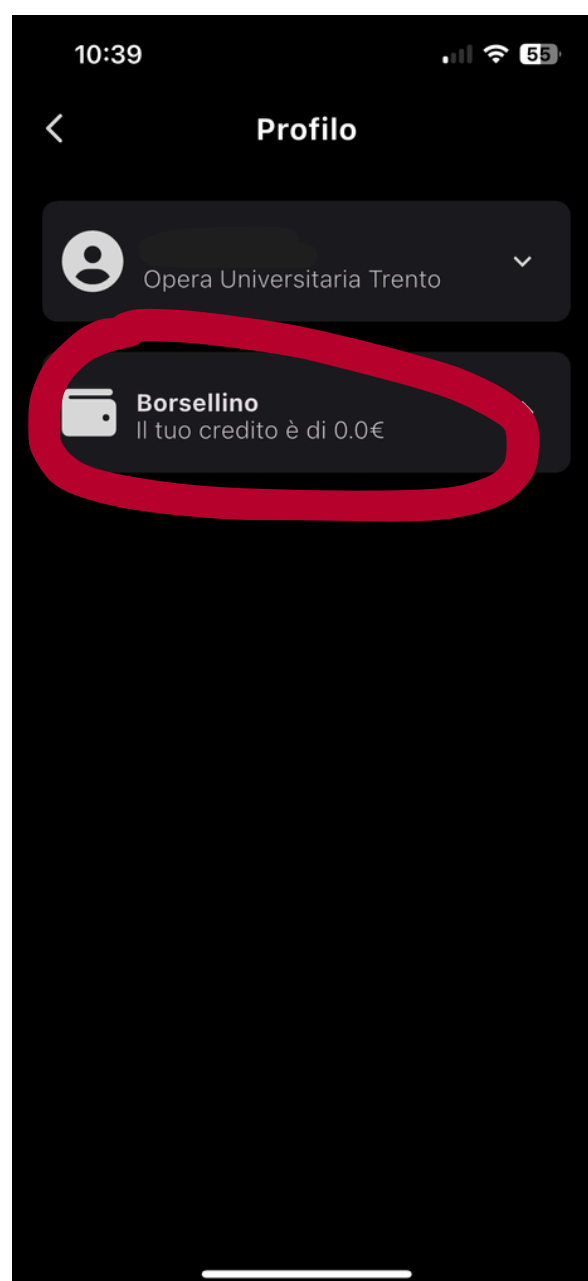

Please note: The payment processing times may vary (i.e. the credited amount may not be immediately available for payment of the meal), so it is advisable to proceed with the loading well in advance.
