

For students who are looking for alternative housing options or do not meet the requirements specified in the call for applications to access on campus facilities, **Trent** is available. Trent is a **virtual notice board** created by Opera Universitaria that collects information on private housing availability in Trento and Rovereto.

OFF CAMPUS ACCOMMODATION

Visit the website for the description of each facility and its services available

Opera's facilities are equipped with a range of services and amenities

SERVICES OFFERED BY OPERA

Opera Universitaria provides numerous housing options in Trento and Rovereto for capable and deserving students, yet without means. These accommodations are available in the student residences of San Bartolomeo, Mayer and Convitto Barelli, as well as in apartments located in key areas of the cities. All the options are accessible through a call for applications. There are also accommodations available for international exchange students.

ON CAMPUS ACCOMMODATION

ACCOMMODATION

Opera Universitaria organizes cultural events and activities for the student community, in collaboration with local associations and organizations.

Additionally, Sanbàpolis features a modern theater, with a rich and varied cultural program. The theater also hosts numerous student initiatives, concerts, conferences and parties.

CULTURE

Opera's sports offer is divided between the facilities of the **Sanbàpolis Multifunctional Centre** (Palazetto dello Sport, Palestra Fitness and Palestra di Arrampicata) and those in the **San Bartolomeo and Mayer student residences**. For the Sanbàpolis facilities there are discounts for Unito students. The sports facilities at the San Bartolomeo Residence (yellow, red and blue gyms) are free of charge and accessible by booking through the Opera4U app. The gym at the Mayer student residence is open exclusively to guests of the facility. **Outdoor spaces** are also available (5-a-side football pitch, basketball court and rapid football), which can be booked via the Opera4U app too.

SPORT

The Opera4U app, which allows you to pay for meals in university canteens. To access the service, it is necessary to have the electronic wallet, a feature of cities of Rovereto and San Michele.

Opera Universitaria manages the catering system with canteens and bars located both in the city and on the hillside, as well as special agreements in the

CANTEENS

economic condition and type of beneficiaries.

There is a wide range of possible beneficiaries, who are reached through direct interventions by Opera and interventions delegated by the Province for students resident in Trentino. Scholarship amounts vary according to the **for applications** published each year.

Capable and deserving students without requirements, indicated in the **calls** if they meet specific income and merit requirements, indicated in the **calls**

SCHOLARSHIP

Opera provides around **1,200 accommodation options**, both in collective residences and in apartments, in Trento and Rovereto, accessible through a call for applications. This is a tangible way for students to live their university experience in the local area, build ties and weave important relationships for their future.
