

OUR ROOMS ARE YOUR HOME

But to be able to keep them at their best and make it possible for you to live in a clean and safe environment, we need your collaboration.

For this reason, here are some simple precautions that we ask you to follow attently!

To maintain the structure in a good condition

Do not attach posters, pictures or lights to the walls or furniture with adhesive tape or adhesives that can damage the building.

If you want to personalize the room, ask for a pinboard and use pins.

To reduce the risk of fires

Don't introduce candles or incences (if not for decorative use)

Don't use a barbecue in your room, but only in the dedicated spaces provided by Opera.

You may use small personal care appliances, provided they are CE marked. Kettles, coffee machines, and air fryers must be kept exclusively in the kitchens

To avoid the presence of insects and ants

Don't leave fresh food in the room, like for example perishable products or incorrectly closed packets

To avert an energy overload (remember, you are a lot living in the student residence)

Don't use lamps or floor lamps (outside of battery-powered ones)

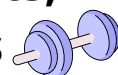

For your safety

Don't introduce objects or furnishing accessories of big dimentions which could block the evacuation routes.

If you have doubts, contact the controllo alloggi service, which will evaluate on a case-to-case basis the possibility to welcome the specific request.

If you wish to do physical activities, we remind you that it's not allowed to introduce in the rooms tapis roulants, weight machines or pull-up bars attaches to the doors

Opera puts at your disposal a lot of spaces to exercise!
